I guess by now you have all heard our exciting news. We are moving our main store in February. We are in the process of preparing for the floor to be poured very soon. I know we will be moving closer to many of you and for those of you who will have a little further to drive, it is only 4 miles from the current store and 1-1/2 miles from the Gene Snyder on Bardstown Road. This

location will be much easier to get in and out of and will have lots more parking for our big events. Speaking of big events; October 16<sup>th</sup> is our **Sew Chic Event** with Pfaff & Viking educator Karla Herrin. Karla will be showing some great sewing techniques and new accessories including the new cutwork needles. You will have the opportunity to try techniques on several of our pfaff machines. Visit each sewing station and not only will you receive a gift bag you will also be entered into a drawing for a store gift card. You won't want to miss out. Event fee is a new baby item to be donated to Necole's Place. Can't beat that.

Make sure you put February 5, 2011 on your calendar. That will be our **Anita Goodesign Embroidery** event. We had a great turnout this spring for our first event with them so I am sure you will want to spread the word. The ladies with Anita Goodesign always have lots of great designs and wonderful specials like their Diamond Club. So, come on out and gather around the machines. Embroider the latest creations and have a fun day with fellow embroiderers.

We are also excited to tell you that **Adorable Ideas** will be with us again on April 29<sup>th</sup> and 30<sup>th</sup>, 2011. This time we will be in our new building and will have plenty room and parking for an even bigger event. Steven Batts has more embroidery knowledge than you can ever imagine and he will keep you mesmerized with numerous tips for your embroidery business. They also bring more embroidery samples than I have ever seen in one place. It is fabulous. Don't forget, we feed you snacks and lunch both days. Just ask someone who came to the event in July...you will be amazed!
